

**Land Act and Water Sustainability Act:
Notice of Intention to Apply for a Disposition of Crown Land and Allocation of Water
Atlin Hydro Expansion Project**

Take notice that **Tlingit Homeland Energy Limited (Proponent)** of **Atlin, BC** has applied to the Ministry of Forests, Lands, Natural Resource Operations and Rural Development (MFLNRORD) for a new hydroelectric power project located on Provincial Crown land near Atlin, BC. The proposed Project would generate approximately 8.5 megawatts (MW) of energy.

The proposed Project includes a General Area Licence of Occupation for waterpower purposes and a Water Licence. The proposed Project will also require various other provincial authorizations including a Utilities permit in the Atlin Highway right-of-way and timber cutting authorization for the Project footprint.

The MFLNRORD has received the Development Plan for this project from the Proponent and invites your comments. Please visit the MFLNRORD *Applications, Comments and Reasons for Decision* website at <https://comment.nrs.gov.bc.ca> to view a summary of the Development Plan and provide comments. The Plan is intended to identify, assess, and address the impacts of the proposed project, as well as provide a detailed description of the activities related to project construction and operations. A printed copy of the Development Plan can also be viewed at the Service BC office in Atlin, and a digital copy and maps of the project area are also available on the proponent's website at www.thelp.ca.

Written comments regarding the Development Plan can also be directed to the proponent c/o **Stephanie Routley, Environmental Assessment and Permitting Coordinator** by email at Stephanie.Routley@takucorp.ca or by mail at **PO Box 408, Atlin, BC., V0W 1A0**.

Please send a copy of all correspondence to **Andrea Scarth, Project Manager** by email at Andrea.Scarth@gov.bc.ca or by mail at **MFLNRORD, Bag 5000, 3726 Alfred Avenue, Smithers, BC, V0J 2N0**.
